# MATAI 315

4  | 2  | 2 

Spacious and Stylish, the Matai is Family Living at its best. From a bedroom wing for the Children to a Modern Kitchen overlooking a spacious dining area that transforms outside to a large Alfresco area. Entertainment is high on the menu. A lounge area adjoins the dining room to sit and relax.

Talking of relaxing the Master Bedroom with WIR and ensuite at the opposite end of the house spells peace and quiet. This is definitely the family home of choice.
